We are pleased to be a part of the U.S. policy for the achievement of equal housing opportunity throughout the nation. We encourage and support an affirmative advertising and marketing program to which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin. Only representations cannot be relied upon as accurately showing the condition of the dwelling, for which the responsibility shall rest with the documents required by section 918.504. This is a contract to be honored by a developer to a buyer. All houses, structures, etc. are subject to change without notice. Small dimensions are measured to the exterior boundaries of the exterior walls and the centerline of the exterior opening walls and in fact may vary from the dimensions that would be determined by using the description and definition of the "net" floor area in the declaration form generally only enclosed. The interior space between the perimeter walls and exterior floor structural components. All dimensions are approximate and all floor plans and development plans are subject to change.
