We are pledged to the letter and spirit of the U.S. policy for the achievement of equal housing opportunity throughout the Nation. We encourage and support an affirmative advertising and marketing program in which there are no barriers to obtaining housing because of race, color, religion, sex, handicap, familial status or national origin. Artist representations cannot be relied upon as currently existing representations of the developer. For current representations, please reference, the documents required by section 718.503, Florida Statutes to be furnished by a developer to a buyer. All features, dimensions, drawings, conceptual renderings, plans and specifications are subject to change without notice. Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of the adjoining demising walls and in fact may vary from the dimensions that would be determined by using the description and definition of "living area" set forth in the declaration (which generally only includes the interior space between the perimeter walls and excludes areas for structural components). All dimensions are approximate, and all floor plans and development plans are subject to change.
